## CIA longlist for the Proposed Development (Onshore) and the Proposed Development (Offshore)

<b>Code</b>	UKCAL-CWF-CON-EIA-RPT-00007-7A06
<b>Revision</b>	Issued
<b>Date</b>	18 October 2024

# Table of Contents

1 Annex 1 CIA longlist for the Proposed Development (Onshore) and the Proposed Development (Offshore).....	1
--	---

## Acronyms and Abbreviations

<b>ECC</b>	Export Cable Corridor
<b>HVDC</b>	High Voltage Direct Current
<b>Km</b>	Kilometres
<b>MW</b>	Megawatt
<b>OWF</b>	Offshore Wind Farm

# **1 Annex 1 CIA longlist for the Proposed Development (Onshore) and the Proposed Development (Offshore)**

Table 1-1: Proposed Development (Onshore) Long List

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
Application	APP/2019/0017	Deuchries Windfarm, Aberchirder, Aberdeenshire	Erection of 2 Wind Turbines (Hub Height 78 metres, Total Height 119 metres) and Associated Ancillary Infrastructure; Formation of Borrow Pit	Granted	1	4 kilometre (km)	Constructed and present on satellite mapping	No - Considered future baseline
Application	APP/2021/1662	Moray Offshore Windfarm. Outer Moray Firth	Variation Request to Application for Consent Under Section 36 Electricity Act 1989 (As Amended) And Marine Licence Under Part 4 of the Marine (Scotland) Act 2010 and Marine Coastal Access Act 2009 to Construct and Operate Moray West Offshore Wind Farm	Granted	1	6.3km	In construction	No - Considered future baseline
Application	APP/2021/2116	Land South of Hughies Knowe, Fordyce, Banff	Installation of Underground Electricity Cables	Granted	1	8.7km	In construction	No - Considered future baseline

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
and Associated Development								
Application	APP/2021/2117	Moray Offshore Windfarm. Outer Moray Firth Landing at shoreline within the vicinity of Redhythe Point Sandend, travelling South and exiting Aberdeenshire at Cotton Hill, Fordyce	Condition 1 (a) I of Planning Permission in Principle of APP/2018/1891 for construction of Onshore electrical transmission cables and other associated works.	Granted	1	6.3km	In construction	No - Considered future baseline – same application as APP/2021/1662
Application	APP/2023/0130	Land South of Macduff Electricity Substation, Law of Doune Road, Macduff AB45 3QL	Battery Storage Facility (49.9 megawatt (MW)), Access Track, Energy Storage Equipment, Meter Building, Security Camera, Fencing and Associated Infrastructure	Granted	1	5.7km	9-month construction period – anticipated to be built prior to Proposed Development (Onshore)	No - Considered future baseline
Application	APP/2023/1454	Land From North of Peterhead to South of New Deer, Green Volt Offshore	National for Formation of Onshore Landfall Point, Laying of Underground Cable	Granted	1	Immediately adjoining / intersects	Construction Q2 2025- Q3 2027. Aims to be	Yes– potential to be cumulative with Proposed

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
		Windfarm, Aberdeenshire	and Erection of Substation				operational by Q4 2027.	Development (Onshore)
Application	APP/2023/1950	Moray Offshore Windfarm. Outer Moray Firth Landing At Shoreline within the vicinity of Redhythe Point Sandend, travelling South and Exiting Aberdeenshire at Cotton Hill, Fordyce, Aberdeenshire	Without Compliance with Condition 2 (Construction Working Hours) of Planning Permission in Principle APP/2018/1891	Granted	1	6.3km	In construction	No - Considered future baseline – same application as APP/2021/1662
Application	APP/2023/1952	Land South of Hughies Knowe, Fordyce, Banff	Installation of Underground Electricity Cables and Associated Development Without Compliance with Condition 2 (Construction Working Hours) of Full Planning Permission Reference APP/2021/2116	Granted	1	8.7km	In construction	No - Considered future baseline

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
Application	APP/2023/2024	Site At Beattock, West of Ardfour, Turriff, Aberdeenshire, AB53 4JB	Erection of Poultry Shed, 2 Muck Outbuildings and Feed Silos	Awaiting Decision	1	10km	Construction period 1 year. Anticipated to be built prior to Proposed Development (Onshore)	No - Considered future baseline
Application	APP/2023/2040	Denhead, Banff, Aberdeenshire, AB45 3AL	Formation of 25MW Solar Farm, Siting of Substation, CCTV, Erection of Security Fencing, Formation of Access and Associated Infrastructure	Granted	1	Immediately adjoining / intersects	Construction period approximately 6 months. Anticipated to be built prior to Proposed Development (Onshore)	No - Considered future baseline
Application	N/A	East of Turriff and south of Cuminestown, 3km from the existing New Deer substation.	Greens 400kV Substation	Pre-application	3	1.1km	All Consents Submitted – Sept/Oct 2024 Construction Start – Q2/3 2026 Construction Completion - Q1 2029	Yes– potential to be cumulative with Proposed Development (Onshore)
Application	ECU00005165	Beauly to Blackhillock to New Deer to	Section 37 application for the construction of a	Pre-application	3	Intersects OnTI RLB	Construction identified to start in 2026	Yes – potential to be cumulative

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
		Peterhead 400kv Connection	new double circuit steel structure 400 kV OHL between Beauly, Blackhillock, New Deer and Peterhead, approximately 194km.				and run for a four-year period, ending in October 2030	with Proposed Development (Onshore)
Application	N/A	Landfall Area of Search along the Aberdeenshire coast and the Onshore Substation Site Area of Search in the proximity of New Deer 2.	Stromar offshore wind farm	Pre-application	3	Intersects OnTI RLB	Anticipated construction period approximately 4.5 years. Anticipated operational date unknown.	Yes – potential to be cumulative with Proposed Development (Onshore)
Allocation	OP1	Portsoy	Housing Land	Adopted	3	5.1km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Portsoy	Housing Land	Adopted	3	5km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP2	Portsoy	Housing Land	Adopted	3	5.1km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Sandend	Housing Land	Adopted	3	7.8km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Forgyce	Housing Land	Adopted	3	7.6km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Cornhill	Housing Land	Adopted	3	6km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP2	Cornhill	Housing Land	Adopted	3	6.1km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Aberchirder	Housing Land	Adopted	3	6.3km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Turriff	Mixed Use Types	Adopted	3	2.4km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Turriff	Housing Land	Adopted	3	3.1km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP3	Turriff	Employment Land	Adopted	3	3km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP4	Turriff	Housing Land	Adopted	3	3.4km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP5	Turriff	Housing Land	Adopted	3	3.7km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Kirkton of Auchterless	Housing Land	Adopted	3	8.7km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP1	Fyvie	Housing Land	Adopted	3	7.4km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Methlick	Housing Land	Adopted	3	7.9km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Methlick	Housing Land	Adopted	3	7.1km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP3	Methlick	Housing Land	Adopted	3	7.2km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP1	Auchnagatt	Mixed Use Types	Adopted	3	9.7km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Auchnagatt	Housing Land	Adopted	3	10km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	New Deer	Housing Land	Adopted	3	5.6km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	New Deer	Housing Land	Adopted	3	5.7km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP3	New Deer	Housing Land	Adopted	3	5.4km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Maud	Housing Land	Adopted	3	9.2km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Maud	Housing Land (Supported housing for the elderly)	Adopted	3	9km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP3	Maud	Housing Land	Adopted	3	9.5km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP1	Cuminestown	Housing Land	Adopted	3	1.8km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	New Byth	Housing Land	Adopted	3	5.6km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Crudie	Housing Land	Adopted	3	5.2km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Macduff	Housing Land	Adopted	3	5.8km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only
Allocation	OP1	Banff	Mixed Use Types	Adopted	3	3.5km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP2	Banff	Housing Land	Adopted	3	3.8km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Ladysbridge	Housing Land	Adopted	3	1.1km	No associated planning application for implementation	No - no information available on the relevant proposals, planning allocation only
Allocation	OP1	Whitehills	Housing Land	Adopted	3	1.3km	No associated planning application for implementation	No - no information available on the relevant proposals,

Allocation /Application	Reference	Address	Description	Status	Tier	Distance from OnTi RLB	Temporal Scope	Progress to Short List?
								planning allocation only

Table 1-2: Proposed Development (Offshore) Long List

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
<b>Subsea Cables</b>									
Any operational Subsea Cables are considered within the baseline where relevant. Where this approach differs, this will be covered in the relevant chapters in Volumes 2, 3 and 4.									
Moray West Export Cable Corridor (ECC) <sup>i</sup>	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	5.3	5.3	6.81	8.31	Yes- Potential to be cumulative with construction and operational activities
Captain Field Electrification Project	Low - Environmental statement or scoping opinion not available	4	Oil & gas power cable	Concept/early planning	Not available	Not available	Not available	Crosses	No – No/limited information available on the relevant proposals
Peterhead – Spittal High Voltage Direct Current (HVDC) Link	Low - Environmental statement or scoping opinion not available	4	Power	Concept/early planning	Not available	Not available	Not available	Not available	No – No/limited information available on the relevant proposals
Shetland HVDC Link	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Power	Under Construction	12.6	12.6	27.4	43.4	Yes - Potential to be cumulative with operational activities
<b>Offshore Wind Farms (OWF) and Export Cable Corridors (ECC)</b>									
Any operational OWFs are considered within the baseline where relevant. Where this approach differs, this will be covered in the relevant chapters in Volumes 2, 3 and 4.									
Stromar	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	7.69	15.23	7.69	7.69	Yes - Potential to be cumulative with construction activities

<sup>i</sup> Moray West Export Cable was commissioned after the CIA was undertaken, and therefore has been included as part of the longlist.

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
Moray West	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	14.2	14.2	16.5	17.4	Yes- Potential to be cumulative with construction and operational activities
Broadshore	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	24.0	31.1	24.0	35.1	Yes - Potential to be cumulative with construction activities
Sinclair	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	28.4	34.1	28.4	44.5	Yes - Potential to be cumulative with construction activities
Scaraben	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	35.1	42.0	35.1	48.5	Yes - Potential to be cumulative with construction activities
Ayre	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	48.3	48.3	58.1	77.0	Yes - Potential to be cumulative with construction activities
Buchan	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	56.0	61.7	56.0	70.6	Yes - Potential to be cumulative with construction activities
Pentland Floating OWF	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Floating	Consented	74.4	74.4	92.1	96.7	Yes - Potential to be cumulative with construction activities
Salamander	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Floating	In determination	80.3	91.3	80.3	74.5	Yes - Potential to be cumulative with construction activities
Marram	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	84.5	91.8	84.5	95.3	Yes - Potential to be cumulative with construction activities
Flora	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	91.2	103.5	91.2	81.1	Yes - Potential to be cumulative with construction activities
West of Orkney	High - Environmental Impact assessment or third party project details published in	1	Fixed	In determination	92.5	92.5	109.6	117.6	Yes - Potential to be cumulative with construction activities

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
	the public domain and confirmed as being 'accurate'.								
Green Volt	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Floating	Consented	94.6	103.1	94.6	101.1	Yes - Potential to be cumulative with construction activities
Muir Mhor	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	117.0	127.4	117.0	110.6	Yes - Potential to be cumulative with construction activities
Aspen	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	118.9	127.5	118.9	121.9	Yes - Potential to be cumulative with construction activities
Bowdun	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	121.4	136.4	121.4	99.4	Yes - Potential to be cumulative with construction activities
Campion	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	144.7	153.8	144.7	140.2	Yes - Potential to be cumulative with construction activities
Morven	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	145.6	160.4	145.6	124.5	Yes - Potential to be cumulative with construction activities
Inch Cape	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	157.1	171.4	157.1	123.6	Yes - Potential to be cumulative with construction and operational activities
Ossian	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'	1	Floating	In determination	157.5	171.5	157.5	139.0	Yes - Potential to be cumulative with construction activities
Havbredey	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	161.8	161.8	179.4	180.8	Yes - Potential to be cumulative with construction activities
Berwick Bank	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	In determination	167.6	182.1	167.6	134.9	Yes - Potential to be cumulative with construction activities
Bellrock	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	182.8	195.3	182.8	168.4	Yes - Potential to be cumulative with construction activities

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
Neart Na Gaoithe	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	185.1	199.1	185.1	150.7	Yes - Potential to be cumulative with construction and operational activities
Cedar	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	205.3	215.3	205.3	197.0	Yes - Potential to be cumulative with construction activities
Forthwind	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Consented	206.9	219.2	206.9	170.1	Yes - Potential to be cumulative with construction and operational activities
Talisk	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	213.1	213.1	229.2	230.4	Yes - Potential to be cumulative with construction activities
Spiorad Na Mara	Low - Environmental statement or scoping opinion not available.	3	Fixed	Concept/Early Planning	227.7	227.7	239.9	240.8	Yes - Potential to be cumulative with construction activities
Arven	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	228.6	228.6	234.5	253.4	Yes - Potential to be cumulative with construction activities
Beech	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	229.1	236.9	229.1	237.5	Yes - Potential to be cumulative with construction activities
Cenos	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	241.4	250.0	241.4	237.1	Yes - Potential to be cumulative with construction activities
Stoura	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	267.4	267.4	273.0	291.8	Yes - Potential to be cumulative with construction activities
Culzean	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Floating	In determination	270.8	279.4	270.8	268.9	Yes - Potential to be cumulative with construction activities
Blyth Demonstration Site	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Consented	313.9	328.6	313.9	281.7	No – Considered baseline
Harbour Energy South	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Floating	Concept/Early Planning	318.6	328.0	318.6	311.1	No - No information available on the relevant proposals

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
Machair	Low - Environmental statement or scoping opinion not available.	3	Fixed	Concept/Early Planning	322.4	325.7	322.4	291.2	No - No information available on the relevant proposals
Shearwater One	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	359.5	363.1	359.5	327.7	No - No information available on the relevant proposals
North Channel Wind 1	Medium – Scoping report or third-party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	379.5	387.0	379.5	343.7	No - No information available on the relevant proposals
Malin Sea Wind	Low - Environmental statement or scoping opinion not available.	3	Floating	Concept/Early Planning	381.4	386.4	381.4	347.9	Yes - Potential to be cumulative with construction activities
North Channel Wind 2	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	399.0	407.8	399.0	362.5	Yes - Potential to be cumulative with construction activities
Dogger Bank B	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	405.7	419.7	405.7	385.0	Yes - Potential to be cumulative with construction and operational activities
Isle of Man	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	423.7	435.0	423.7	386.5	Yes - Potential to be cumulative with construction activities
Dogger Bank – Teeside B	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	426.0	439.3	426.0	407.5	Yes - Potential to be cumulative with construction and operational activities
Dogger Bank South (West)	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	429.8	444.4	429.8	406.8	Yes - Potential to be cumulative with construction activities
Dogger Bank A	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	432.3	446.5	432.3	410.9	Yes- Potential to be cumulative with construction activities
Dogger Bank C	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Under construction	445.6	457.3	444.4	427.1	Yes - Potential to be cumulative with construction and operational activities

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
Morgan	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	446.4	457.2	445.6	408.5	Yes - Potential to be cumulative with construction activities
Dogger Bank South (East)	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	462.7	468.4	454.1	432.3	Yes - Potential to be cumulative with construction activities
Mona	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	462.7	474.3	462.7	425.6	Yes - Potential to be cumulative with construction activities
Morecambe	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Fixed	Concept/Early Planning	467.9	480.0	467.9	431.1	Yes - Potential to be cumulative with construction activities
Hornsea Project Four	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Fixed	Consented	471.9	487.2	471.9	445.9	Yes - Potential to be cumulative with construction activities
Other North Sea OWFs off Belgium, Netherlands, Germany, and Denmark; Other Channel OWFs off the coast of England and France; Other Celtic & Irish Sea OWFs off England, Wales, Scotland, Ireland and the Isle of Man	High to Medium - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1 to 2	Various Fixed / Floating	Various – Under Construction / Concept or early planning	Various	Various	Various	Various	Yes - Potential to be cumulative with construction activities
<b>Other Energy (Wave and Tidal)</b>									
Any operational other energy developments are considered within the baseline where relevant. Where this approach differs, this will be covered in the relevant chapters in Volumes 2, 3 and 4.									
Deer Sound	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Tidal	Awaiting Licence - Newest application submitted 15/11/23	65.50	65.50	80.17	89.70	Yes - Potential to be cumulative with construction activities
EMEC Bilia Croo	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Wave	Awaiting Licence - Licence application submitted 13/13/2023	77.68	77.68	94.34	104.74	Yes - Potential to be cumulative with construction activities

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
EMEC Fall of Warness	Medium – Scoping report or third party project details published in the public domain but not confirmed as being 'accurate'.	2	Tidal	Awaiting Licence - Licence application submitted 16/01/2024	83.46	83.46	97.71	106.97	Yes - Potential to be cumulative with construction activities
Westray South	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	2	Tidal	Scoping	87.26	87.26	101.72	111.07	Yes - Potential to be cumulative with construction activities
Oran na Mara	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Tidal	Scoping	325.26	330.05	325.26	325.26	Yes - Potential to be cumulative with construction activities
Sound of Islay	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	1	Tidal	Consented (2011)	329.19	334.14	329.19	329.19	Yes - Potential to be cumulative with construction activities
<b>Other Activities</b>									
Network of UK Marine Protected Areas	High - Environmental Impact assessment or third party project details published in the public domain and confirmed as being 'accurate'.	2	Designated sites	Active	Various	Various	Various	Various	Yes - Potential to be cumulative with construction and operational activities. Please refer to Section 8.8 of Volumes 2, 3 and 4, Chapter 8: Commercial Fisheries.
<b>Carbon Capture Storage (CCS)</b>									
Any active CCS Developments are considered within the baseline. There are no CCS developments within data confidence tiers 1 - 4 in planning or construction within the relevant Zones of Influence associated with the Proposed Development (Offshore).									
<b>Aggregates and Disposal</b>									
Any active Aggregates and/or Sea Disposal Sites are considered within the baseline. There are no Aggregates and/or Sea Disposal Sites within data confidence tiers 1 - 4 in planning within the relevant Zones of Influence associated with the Proposed Development (Offshore).									
<b>Oil and Gas (Surface)</b>									
Any active Oil and Gas Subsurface infrastructure are considered within the baseline. There are no Oil and Gas Surface infrastructure within data confidence tiers 1 - 4 in planning or construction within the relevant Zones of Influence associated with the Proposed Development (Offshore).									
<b>Oil and Gas (Pipelines)</b>									
Any active Oil and Gas Pipelines are considered within the baseline. There are no Oil and Gas Pipelines within data confidence tiers 1 - 4 in planning or construction within the relevant Zones of Influence associated with the Proposed Development (Offshore).									

Project	Data Confidence Assessment	Tier	Notes	Status	Distance to Caledonia OWF	Distance to Caledonia North Site	Distance to Caledonia South Site	Distance to Caledonia OECC	Progress to Shortlist?
<b>Oil and Gas (Subsurface)</b>									
Any active Oil and Gas Subsurface infrastructure are considered within the baseline. There are no Oil and Gas Subsurface infrastructure within data confidence tiers 1 - 4 in planning or construction within the relevant Zones of Influence associated with the Proposed Development (Offshore).									
<b>Oil and Gas (Subsea Linears)</b>									
Any active Oil and Gas Subsea Linears are considered within the baseline. There are no Oil and Gas Subsea Linears within data confidence tiers 1 - 4 in planning or construction within the relevant Zones of Influence associated with the Proposed Development (Offshore).									
<b>Exercise Areas and Danger Areas (PEXAs)</b>									
Any active PEXAs are considered within the baseline. There are no PEXAs within data confidence tiers 1 - 4 in planning within the relevant Zones of Influence associated with the Proposed Development (Offshore).
